Dear Homeowners,

In July, the CPHA Board asked **ALL** homeowners to update their pool card key information of the 187 homes that Covington Point has there were less than 30 responses at that time. The second request went out with the first quarter statements in April as the Spring 2020 Newsletter. There were only 15 responses to that request.

At this time, **ALL** card key access is off related to the Covid-19 Pandemic. We are following state guidelines as to when we will reopen the pool facilities. Furniture, attendance, and bathroom clean guidelines must be determined prior to the opening of the facilities.

Below is the info copied from the 1st quarter newsletter. **ONLY those 15** who replied after the 1st quarter statements/newsletter **DO NOT** need to resubmit their info. **All other homeowners MUST reply to have card key access turned back on.**

Pool Card Key System Update

We will utilize this pool down time for updating the card key system. **ALL card keys have been turned off.**

To have your card key reactivated please send a message to info@renmgt.com

with the following information:

1. HO Name
2. Address
3. contact number
4. the numbers on your pool card key.

If you do not have access to email, please call the RPM office at 985-625-2900.
