LET'S LIGHT THE WAY...AGAIN!!!

Last year's Christmas luminaries were a resounding success! We had most of our wonderful subdivision lighting the way for Santa!

Like everything else, the cost of the bags and candles have gone up. The cost of them this year is\$??? You can pay with cash, check, or have your account billed.

ALL orders MUST be accompanied by ALL INFORMATION requested to make delivery easier. Any omitted info will not be a completed order.

Once again, we will have the sand delivered to the clubhouse parking lot for all to use. We will need-volunteers to help prepare and distribute the orders and with placing the many candle bags needed for the boulevard, rear entrance and common area. Last year we used 6 paces from bag to bag and it was beautiful!

Streetlights

We have been reporting dark streetlights since the end of September on a regular basis. The original globes and apparently are not available any longer. The newer ones being used can be seen on Gilmore Circle and St. Thomas Way.

All we can do is keep reporting them. We are trying other avenues as well to get this accomplished. One of our residents is a firefighter and he has contact with the powers that be...we can only hope for our dark streets to be better and safely lit soon.
